

# how to make a basic dog

for more how-tos, see page 148.

(note: sock toys aren't meant for children under 3.)

- ① turn one sock inside out

- ② flatten this sock with heel on top
- 
- cut to edge of heel
- sew sides to make back legs
- leave opening for stuffing

- ③ turn sock right side out and add stuffing

- ④ bend neck back and stitch the fold in place
- 
- sew feet shut
- bend paws and stitch the fold in place
- sew this opening shut from side to side

- ⑤ cut the second sock into parts something like this

- ⑥ slip head piece over neck and sew in place
- 
- add stuffing
