

⑦ snout

turn edges in, making a curve, and stitch shut

front view of snout

⑧ ears

flatten out ear piece and cut like this

turn each ear inside out and stitch, leaving bottom open

turn right side out, stitch shut, and sew to head

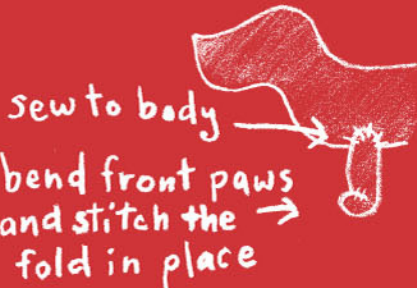

⑨ front legs

turn each leg piece inside out and stitch, leaving bottom open

turn right side out, stuff, and sew shut

sew to body

bend front paws and stitch the fold in place

⑩ tail

turn tail piece inside out and stitch sides, leaving bottom open

turn right side out and stuff or insert pipe cleaner

stitch to behind

⑪ face

👁️ 👁️ buttons with two holes are perfect for eyes; sew on using a different color thread for pupils

👃 shank buttons or buttons with two big holes 👃 make good noses!
